Dear 4-H Families,

Congratulations on another fantastic summer! The Morris County 4-H Fair was a big success thanks to our dedicated 4-H members, incredible 4-H families and volunteers, and (of course) the great weather. We provided fun and educational displays for visitors, showcased our member’s hard work to the community, and demonstrated the fun of 4-H. Thank you all for your dedicated efforts in helping with so many areas. You all deserve a round of applause!

You can read all about the BEST IN SHOW results in this issue of Discoveries. Our Fair Photo contest winners will be announced at Awards Night on Friday, November 13 at the American Legion Post 155 in Whippany. The annual 4-H Awards Night is a special time where we recognize the hard work and achievements of our 4-H members over the past year. We hope you will join us in the celebration.

Speaking of reasons to celebrate, everyone is encouraged to show off their 4-H spirit during National 4-H Week from October 4-10! Wear your 4-H t-shirts, invite new members to club meetings, set up a window display in a public space, and participate in the 4-H Trivia Contest on Facebook.

We are excited to start the 2015-2016 4-H year with new clubs, new members, and new volunteers. If you or your club need any assistance, please reach out to the 4-H office. We are happy to help in any way we can.

Have a great start to the 4-H year and we’ll see you at Awards Night!

Sincerely,

Kelly Dziak
Kathy Murarik

2015 ALUMNA OF THE YEAR AWARD
Kelly Elam

Kelly joined 4-H as a 3rd grade member of the Morris County 4-H Jefferson Cooking Crew club. In high school, she served as president of the Teen Council 4-H club, attended national 4-H events, and served as the Army Reserve Youth representative on the NJ Operation: Military Kids (OMK) State Team. During her father’s deployment, Kelly experienced first-hand the support 4-H provides to children of military personnel. Kelly returned to 4-H later as the NJ OMK Program Coordinator and through her work, she connected military families in NJ with local 4-H opportunities. Since her office was located down the hall from Morris County 4-H, she assisted with planning and packing for each major 4-H event. She attended most 4-H events as a workshop presenter, judge, photographer, or to man the registration table. From set-up to take-down, she was ready to get the job done and always with a smile. This past March, Kelly started her own business in event planning and has been busy working on state-wide 4-H events including the upcoming 4-H Homecoming. Kelly continues to volunteer at Morris County 4-H events and is eager to support the 4-H program in any way possible. Congratulations Kelly for being named “Alumna of the Year”!

2015 RICH & BETH EVERETT INNOVATION AWARD
Rosanne Oblen

This memorial award captures the spirit of Rich and Beth Everett, long time 4-H volunteers who dreamed up exciting ideas to improve the Fair. Rosanne is nothing short of new ideas and tireless enthusiasm. In addition to her roles as leader of five 4-H clubs, Petting Barn tent manager, and calf wrangler for Cow Pie Bingo, she also wanders the fairgrounds in animal costumes to the delight of fairgoers and 4-H families. The new butterfly exhibit at the 2015 4-H Fair was made possible thanks to Rosanne’s eye for fun attractions. Rosanne inspires others to leap in to fun and action with 4-H. Congratulations, Rosanne!

2015 CLARA R. FARST AWARD
Bill Russell

This memorial award captures the spirit of Clara R. Farst, a relentless 4-H volunteer who gave unselfishly to others, without ever looking for recognition in return. The 2015 award goes to Bill Russell who made sure everyone was well cared for during the hot Fair days. Bill delivered ice to coolers scattered around the fairgrounds, reset the hospitality station so there was always something cool to drink, and helped out in various Fair jobs wherever there was a need. He also supported the Lil’ Squealers 4-H pig club in their first year at the Fair and assisted his daughter in her new role as Watermelon Eating Contest chair. Thank you Bill and congratulations!
Thanks a Million to the Morris County 4-H 2015 Summer Staff

The group will also get to meet with their Congressional Representatives and tour Washington D.C.

### State 4-H Goat Show

Just Kid 'n' Around 4-H goat club member, Brandon Lauchnor, represented Morris County at the annual State 4-H Goat Show held at the Hunderton County 4-H and Agricultural Fair on August 20th. This was his first time competing at the State 4-H Goat Show and he received a “Very Good” ribbon. The following is Brandon's report on his experience:

“I entered because I enjoyed showing at the Morris County 4-H Fair, and I thought it would be fun. There were 139 dairy and market goats entered. Since my Boer goat is a market goat, he was weighed before the show. You lead your goat up to a large scale where they stand to be weighed. Then you lead your goat into the show ring. There were two parts to the show. The first part was showmanship where you are judged on your knowledge of your goat and how well you handle it. The second part was fitting where you are judged on the quality of your goat and how well it is groomed. It was a great day, and I'm looking forward to the next show.”
**Buckanears**

On July 10th, the Buckanears Club took a trip to The Barnyard Sanctuary in Blairstown, NJ. In the spring our club held a bake sale at Tractor Supply in Flanders and raised money to make a donation to the sanctuary. The Barnyard Sanctuary helps find homes for farm pets that have become homeless. We had a tour of the sanctuary from Tamala Lester and we were able to meet all the animals. It was really fun because we were able to walk right into the fields and pens with the animals! So many animals are taken care of at The Barnyard Sanctuary! It’s nice to know that these animals are loved and taken care of. If you are looking to adopt a farm pet, don’t forget to check The Barnyard Sanctuary first!

- by Emmalee Miller

Over the summer the Buckanears enjoyed some very exciting events. At the fair The Buckanears ran two successful fund raising games; A scavenger hunt and mini golf. The club also ran safety patrol. Club members wore safety patrol belts with buttons declaring them "official" and helped guide fair goers away from sticking their fingers in cages to showing a place where they could pet a rabbit safely and with club member assistance. This helped protect both animals and people.

The small animal tent this year was shared with 2 other small animal clubs, Furry Friends and Paws & Claws and members enjoyed working together as a team and keeping the tent neat.

The Buckanears were thrilled with winning Best in Show for their mustache banner and also got lots of new member interest.

On Aug 18th the club members reconnected at a pizza and sundae party to work on the club scrapbook.

**Send Us Your Club News!**

Share what your club has been up to with the rest of 4-H! Submit your articles and photos to the 4-H office by November 20th to be included in the winter issue of Discoveries. Email to 4hmorris@njaes.rutgers.edu.

All club members are excited for the start of the year on Sept 11th at their NEW time 6:00 in the 4-H building.

**Furry Friends Saves a Family of Guinea Pigs**

Can you image a family of guinea pigs running loose in an apartment building without any supervision? Well that is what it was like for a family of five guinea pigs in the city. The animal control took them in and then did not know what to do with them. They reached out to Furry Friends club leader Shannon Cirero, and she generously offered to help get them forever homes.

Lucky for the guinea pigs it just happened to be the start of the fair and what better place to find them homes. The members of Furry Friends worked hard all throughout the fair taking care of the pigs and spreading the word that they needed homes. All the effort worked when all 5 animals found homes. It is amazing what we can accomplish when we pull together.

**Just Kid ‘n’ Around Gives Back**

All year the kids from Just Kid ‘n Around have been working hard on a fund raiser for the Barn Yard Sanctuary. Every meeting the members worked hard and made hand crafted goat milk soap to sell at the Fair. We made over 80 bars of soap in every color and fragrance imaginable. The soap was a big hit at the Fair. Every bar sold and we made over $150 for the Barnyard Sanctuary!

The week after the Fair the club went to the sanctuary to give the donation in person. We got a private tour of the farm. It was great to see the animals and how our donation would be put to good use.

**Teen Council**

Club members were kept busy during the Fair with a variety of jobs including set-up and clean-up, opening and closing ceremonies, Cloverbud Corner, announcing, Tricky Tray, and running the Root Beer Float booth. We had a great time at the Fair and look forward to another fun year as a club. Anyone in 8th grade and up who is interested in joining Teen Council should contact the 4-H office. We’re always happy to have new members!

Shutterbugs

The Shutterbugs club is moving its time to 4:00 on the 3rd Thursday of the month at The Morris county library. Members and new members please take note.

This year at the fair the Shutterbugs ran a successful photo booth by proving fair goers a chance to create fun memories with silly props. Also with the help of the Buckaneares club some lucky fair goers got to have a picture with some of the fluffiest members of the club, the cute little rabbits.

This was the Shutterbugs first fair and we certainly learned a lot and had lots of fun. We would like to thank Mike Pipoli for building the photo booth and Jaeger lumber of Morristown for donating all the wood.

Morris Marksmen

The Morris Marksmen shooting sports club had a blast at the annual 4-H Fair! Club members went over important safety points to those coming to the archery range who were learning to shoot. Some older members even showed fair-goers how to use the bow and arrows properly. Members also worked well together at the cotton candy booth, handing out well-made sugary snacks and keeping the line moving. We had a great time at the fair and are looking forward to an equally fun and successful experience next year. Now that the fair is behind us, the senior club members are preparing for the upcoming state competitions in the fall, including smallbore, air rifle, shotgun, and archery. Wish those participating luck as they continue to practice and work hard to improve their skills!

- By Miranda Meade

Wing Nuts

At the Fair the Wing Nuts had a great volunteer turnout. Making set up and clean up a breeze with so many hands to help out. Wing Nuts also ran a successful chick petting area where members helped youngsters learn how to hold and pet small chickens. Wing Nuts would like say thank you to all families that gave so much of their time.

Leader News

It’s Record Book Time!

Collect your club members’ record books by September 30. This gives you time to review the content, check for signatures, and work with your members to make sure the books are complete before turning them in to the 4-H office by October 9.

Record books must be submitted in order for a member to win an award for their project area (i.e. dog, poultry, leadership, etc.) or for special awards like Achievement or Personal Development. Members who do not submit record books are eligible for Clover Awards, based on your recommendation.

Cloverbud members will receive participation recognition and judge’s feedback for their books.

Nominate Your Club Members!

In 4-H Youth Development, we encourage and recognize youth for their achievements. This recognition takes many forms, from a pat on the back and saying “Good job”, to presenting a pin or ribbon for project achievement.

4-H club leaders may nominate their members for a variety of awards to be distributed at County Awards Night (November 13th) or at a club meeting. These awards recognize the work of each 4-H member over the past year.

The 4-H office will be sending each club information regarding the different awards and their criteria. Contact the 4-H office to learn more about nominating your club members.

Reminders for Clubs with Websites

Social media is a great way to build community between your members and advertise your club to the public. Remember, your site represents 4-H, must protect your youth members, and should be current.

If your club has a website or Facebook page, keep in mind that the site must:

- Follow the RCE/4-H policies including the Code of Conduct (can be found on Morris County 4-H website)
- Contain the Rutgers logo and official 4-H clover
- Provide a “last modified” date
- Include the phone number, email, and address of Morris County 4-H office

The site cannot include:

- Full names of youth
- Pictures of youth without a signed parental consent form
- Personal phone numbers, addresses or email addresses

Reach Out to New Members

Leaders, we need your help to put our best foot forward! Frequently, the 4-H office receives requests from potential new members interested in joining a specific 4-H club. If you receive an email from the 4-H office regarding a potential new member, please reach out to them right away. They are excited to learn about your club and want to get started as soon as possible.

Even if your club is not quite ready to start meeting, let them know! This way, they won’t be left waiting to attend the next meeting.

Be sure to mention:

- Meeting schedule and location
- Next meeting date
- Activities club members participate in
- Special requirements (i.e. equipment, animals, etc.)
