The Fair is Almost Here! July 19, 20, 21, 22

By now you have received your Fair entry book. You may also view the Entry Book on our website http://morris.njaes.rutgers.edu/4h/Fair/Fair%20Entry%20Book%20202012.pdf. Please read it and be sure to contact your leader about your project area with questions. The office will be happy to answer any questions. The Fair is the highlight of the year for our 4-Hers and many families. Yes, Fair week may be hot, but the members never seem to mind. If we ask our alumni what they remembered most about 4-H, it is the fun time they had at the Fair.

Returning Members - Please be sure your Fair entry forms are sent by the deadline of **July 6th**. We also need members and families to help with set up on **Sunday, July 15**.

Parents - Please volunteer to assist the volunteer tent managers with setting up their tents. Also feel free to ask the leaders in the club how you may help. The Fair is open for four days this year, thus we need coverage with the shift worker positions all weekend long.

Members - We ask that members be prepared to donate at least 6 to 12 hours during the week. Members who have animals at the Fair will need to spend more time. If you are new to 4-H, please discuss your time at the Fair with your leaders.

Fair Parking - Please cut out the parking pass included in this newsletter. The Fair operates on a budget, thus only members and families that participate in the Fair by helping to set up, exhibit their 4-H projects and help during the fair will receive a parking pass to the Fair.

Fair Fun - Fair week is truly a lot of fun. Plan to come and spend time with your family and 4-H friends. The volunteers work hard to plan activities for our members to participate in during the week. Thus, remember to plan some extra family time around July 15 to July 23. Please talk with your leader or contact the office if you have any questions. This can be a very enjoyable week for your family, if you are prepared and ready to enjoy.
Dear 4-H Families,

Can you believe the Morris County 4-H Fair is now a few short weeks away. Are you ready? The entry deadline for all projects is July 6th. Now is the time to put the final touches on your entries and finish up your club displays and banners. We are looking for volunteers to help with shift work at the chicken barbeque, soda booth, kids country store, petting barn info booth and hayride. Contact Karen Kolacy to see where you can help out. karenkolacy@verizon.net. 4-H is a family commitment and we thank you all for helping to “Make the Best Better” by being involved in the Fair.

Last year’s Family set-up day was a huge success and we are looking forward to everyone coming out again on Sunday, July 15th. Everyone who participates will have a chance to win a weekend amusement ride wristband. Kevin and Janet Malcolm have volunteered to prepare a delicious lunch for all who help.

Check out our website ... http://Morris.njaes.rutgers.edu for important information about our fair and all other events coming up.

See you at the FAIR!!!

Announcing the Summer 2012 Teacher Programs

MARE: One Ocean, Interdisciplinary Instruction
When: July 17, 2012
Where: IMCS, New Brunswick
Cost: $50
Grade level: K-8
Description: Ocean Literacy means understanding the ocean's influence on you and your influence on the ocean. There are countless ways to incorporate ocean literacy into your teaching (it's not just for science). Come learn from seasoned MARE teachers across multiple disciplines (literacy, science, physical education, world cultures, etc.) about creative ways to incorporate ocean education into your classrooms and clubs.

MARE Community Day: Fish & Larvae
When: Aug 14, 2012
Where: Rutgers Marine Field Station, Tuckerton
Cost: FREE
Grade level: K-8
Description: There are over 40,000 different species of fish in the world, and we are still discovering new species each year. Learn from local scientists about fish morphology, how scientists study fish, and how we can learn where fish have been from their “ear bones” (otoliths). Also, we will discuss ways to best serve the MARE community in bringing ocean sciences into classrooms and clubs in NJ.

MARE: Estuaries, Adaptations, & Human Impacts Workshop
When: Aug 15, 2012
Where: Coastal NJ, out of Tuckerton
Cost: $150
Grade level: K-12
Description: Through presentations by local scientists and field trips to three different field sites in southern New Jersey, we will explore estuarine formation and processes, adaptations of estuarine creatures to live there, and both the negative human impacts on our estuaries and current estuarine restoration projects that are reversing those trends.

* All meals will be provided.

All Summer 2012 Teacher Programs will include a packet of accompanying lesson plans. Each of the Teacher Programs is open to both MARE and non-MARE educators. Participants are welcome to attend one or more program in any combination over the course of the summer.

Feathered Friends

The 4-H Feathered Friends have been doing a lot this spring to get prepared for the fair in July. We’ve had bake sales and have been volunteering at local poultry competitions. We had a guest speaker in February come and answer any questions we had about our chickens and he was very helpful. He also looked at some birds to tell the type.

In the beginning of March we got our chicks for the fair, we all voted on Rhode Island Reds and have been raising them. They’ve gotten big already; it’s a really exciting experience. Everyone has grown to know each other and become really good friends through the group and since January people’s rolls have changed President, Vice President etc. so everyone gets a chance to join in on the teamwork.

Kailey and Charlize taught everyone how to make flock blocks for the chickens and brought up the idea to sell them at the fair this year to raise money. Everyone has also been busy filling out their club booklets. We are all working very hard for the next few months and more updates will come before the summer.

Here are photos of how our chicks have grown in the past month!

Curious Cloverbuds

We are the Curious Cloverbuds! We are a new club but have already been busy. We have 11 members. We have a meeting and then a field trip for each topic we learn about. So far we’ve learned about pets and took a field trip to Petco and learned about bugs and went to the Bug Museum of NJ.

We are planning meetings and trips to a grocery store to learn about healthy eating and to a fire station to learn fire safety.

Clay Busters

Clay Busters have been very busy lately. We instructed over 50 people at the 4-H Outdoor Family Weekend.

Then on June 3rd we took 9 members and 2 leaders from Natures Keepers on a shotgun shoot. Our junior instructors got a real workout at these 2 events.

Except for some sore shoulders everyone had a great time. Maybe next time it will be rifles and muzzleloaders.
Nature's Keepers

Nature’s Keepers 4H Club has had a busy year. Our elected officers for the year were: President, Gena Blewett; Vice President, Carly Ellis, & Photographer Sammi Zarzycki.

We have had some fun club meetings led by Carly Ellis, Gena Blewett, & Katie Ellis. Katie Ellis led us on a hike in Hacklebarney State Park in the fall. We recently went on a field trip with the Clay Busters where their Teen Leaders helped teach us the fine art of shooting clays (targets). We all had a blast (pun intended) and hope to go back soon. The training that the leaders provided to our club members was exceptional and their time spent with us was appreciated. THANK YOU CLAYBUSTERS!!!!

At our business meeting, Gena led us in a discussion of fair planning, and the future of our club. We decided to open Nature’s Keepers up to Cloverbuds in grades 1-3. Our older (High School) members will plan, lead and guide the Buds members through various activities. We are excited about the path our club is taking. We are also looking forward to volunteering at and seeing everyone at the fair.

President’s Message

A message from Beverly Hahn, President of the Morris County 4-H Association

As I write this, Fair setup is less than four weeks away. Having volunteered at over 30 Morris County 4-H Fairs, I again have the familiar feeling of heading down a canyon into whitewater rapids: can’t go back, can’t climb out the side, don’t know what’s in front of you but the only way out is through it.

Not entirely true: I do know something that’s going to happen. Something will go wrong. It could be a refrigerator that we discover isn’t working. It could be an unexpected requirement on one of our inspections. It could even be that the weather turns out to be so pleasant and inviting that we have traffic jams in the parking areas and run out of food and overflow the dumpsters because we have such huge attendance. We don’t know what, but something, and probably multiple somethings, will go wrong.

However, I have a simple, universal procedure for handling pretty much any problem. Step one, fix it (or if it’s something unfixable, like weather, do something to minimize the impact). Step two, afterwards, figure out why the problem happened and figure out how to make it not happen again.

The Fair is a huge challenge for all of us, and “fix it” is easier to say than to do. But if we help each other and keep a good attitude, then in five weeks we’ll be looking back at memories of another good Fair, like so many in the past.

Photo Contest Celebrating USDA’s 150th Anniversary

This is your opportunity to submit photos that capture the diverse ways young people are engaged in agriculture today and the impact it has on communities!!

Contestants must be a 4-H member, volunteer, alumnus, or staff and 14 years of age or older. All photographs must be taken by an amateur photographer. Visit www.challenge.gov for official contest rules.

Photos can be submitted on www.challenge.gov now through the end of the contest, July 2 2012. Photos should reflect on one of three areas of focus: citizenship in agricultural issues, how agriculture affects healthy living, and the science behind agriculture. All eligible photos will be available for public voting during July 18-August 1. The photos with the most votes will be chosen as finalists. The finalists’ entries will then be voted on by a panel of judges consisting of USDA staff who will determine the top winners.

The winning photographs will be prominently displayed within the 4-H/USDA Headquarters in Washington, D.C., during National 4-H Week, October 1-6, 2012.

The Photo contest and display are part of the 150th anniversary celebrations of the Morrill Act and Cooperative Extension.

Since 1971, the President of the United States has joined with EPA to recognize young people across the U.S. for protecting our nation’s air, water, land, and ecology.

One outstanding project from each region is selected for national recognition. Projects are developed by young individuals, school classes (K-12), summer camps, and youth organizations to promote environmental stewardship.

**Tractor Supply Spring 2012 Paper Clover Campaign**

During May, the Tractor Supply Paper Clover Campaign for 4-H was held. Jim Newquist, Vice President of the Morris County 4-H Association, volunteered to man a table at the entrance of the Flanders Tractor Supply store promoting 4-H in Morris County. During the 12-day campaign, Jim spent many hours at the store talking to customers and promoting 4-H. One of those customers called the 4-H office for additional information about 4-H and even commented about the “nice young man” she spoke to at Tractor Supply.

Due to Jim’s tireless effort, clover sales at the Flanders store totaled $745 during the Paper Clover campaign. Of that amount, **$484.25 will be donated directly to Morris County 4-H** to help offset the costs of our 4-H programs. The remaining amount will be distributed to State and National 4-H.

Morris County ranked 5th in sales of all counties in New Jersey! We are certainly appreciative of Jim’s hard work and dedicated commitment to 4-H! Thank you, Jim!!

County Public Presentations
On April 28, 2012, twelve Morris County 4-H members and Seeing Eye adults, representing all three of the county’s dog clubs, participated in the State 4-H Dog Show in New Brunswick.

Dog’s "R" Us was the only club represented in the Obedience, Rally, Agility, and Junior Show divisions, and its members brought home honors in all four areas. Corrine Rybarski and her dog Smarty took first place in the Standard Agility, Tab Lead, 12” jumps class, along with third in Pre-Novice Obedience, Grades 4-8 Inexperienced, and fourth in Junior Showmanship, Grades 7-9, Novice. Agility classes are divided into Standard (the more difficult) and JTT (Jumps, Tables, and Tunnels) sections, further subdivided by whether the dog is entirely off-lead or if the dog is wearing a short “tab” lead that the handler may use to guide the dog intermittently, and finally into classes by the height the dog is required to jump. Junior Showmanship is judged on the abilities of the handler to display the dog as if in a breed competition, and the classes are divided by the grade and experience of the 4-H member. Smarty Pants also took and passed the AKC Canine Good Citizen test.

Erin DeBiasse and Roxie also placed in three divisions, taking second in JTT Agility, tab lead, 12” jumps, fourth in Junior Show grades 4-6, Open, and Rally Novice grades 4-6. Rally is a relatively new style of obedience competition, less formal than regular obedience, which had become extremely popular.

Taking first place over Erin in JTT Agility, tab lead, 12” jumps was Morgan Sanchez with Sampson, a project dog she shares with her brother Kent. Morgan and Kent took turns through the day showing Sampson in different divisions. Competing in the Rally Novice Grades 7-9 class, Kate Dodge and Jesse took third and Danny Kinskey-Lebeda and his lab Justice took fourth.

In the Seeing Eye division, all three 4-H members places in their classes (adults SE entrants receive Danish ribbons only). Alexandra Lion and Flossie took fourth in Puppies Age 4-5 Months, Claire Dempsey and Avis got Honorable Mention in Puppies age 6-9 Months, and Katelyn Baumgartner and Granite earned fourth in Puppies Age 10 Months and Up. All are members of 4-Footed Leaders.

Participating in the Seeing Eye’s adult class were Martha Bardin with Gyle and Ginny Haven with Xyris, from 4-Footed Leaders, and Kristin Kabis and Joey from Puppy Tails. Congratulations to all!

**Cruise In At the Fair**

Come join us at the Morris County 4-H Fair for our first annual Cruise at the Fair! The Cruise-In will be held Saturday, July 21st at Chubb Park in Chester, NJ from 2 to 6 p.m.

The registration fee for the Cruise-In is $5 and we will be awarding a “People’s Choice Award”. There is a limit of 75 cars; deadline for registration is Friday, July 6th. Please make checks payable to: Morris County 4-H Association, P.O. Box 900, Morristown, NJ 07963.

For more information on the Cruise-In, see the flyer in this issue or visit our website: [http://morris.njaes.rutgers.edu/4h/Fair.html](http://morris.njaes.rutgers.edu/4h/Fair.html)

**Earn an Amusement Ride Wrist Band!**

Please solicit sponsorships for our Fair from your places of employment as well as local companies and businesses. (Anywhere you and your family go - the salon, car shop, grocery store, dry cleaner). Please also ask your own family and 4-H club if they would like to sponsor a tent. Private and corporate sponsorship is necessary to meet Fair expenses. We need over $15,000 for sponsorship. Sponsorship can be as small as $50. Any amount is greatly appreciated.

For every $500 of sponsorship that you bring to the Fair, you will receive a weekend amusement ride armband. This is an opportunity to ride the rides all three days of the Fair for free! You can also purchase a wristband for $20.

Please contact Kathy in the 4-H office at (973) 285-8300 x3

**Tricky Tray Club Baskets**

On Saturday July 21, we will hold our Tricky Tray, one of the most anticipated events of the Fair. We are asking that each club donate 1 or more baskets. (Families may donate as well!) When making your club’s basket, each club member can donate money and then one or two people can purchase all the needed items. A good size basket would have about 10 items. Be sure to drop your basket at the Information Booth by Saturday afternoon.

Here are some ideas for baskets:

- Beach Basket
- Movie Basket
- Cat Lovers Basket
- Baking Basket
- Boy’s Basket
- Girl’s basket
- Art Projects
- Summer Fun

Be creative and have fun filling your baskets!

Also, please don’t forget to solicit local stores, restaurants, etc. for gift certificates for our Tricky Tray. They are always popular! Contact the 4-H office if you need solicitation forms for businesses.

**A Few Little Safety Tips**

- Remember before and after visiting any animal station at the Fair be sure to disinfect your hands. There will be hand sanitizer stations located throughout the Fair near the areas with animals.
- First aid supplies are located in the Information Booth.
- Dogs are allowed on the fair grounds, but please do not bring retractable dog leashes to the Fair.

Have a fun and safe time at the Fair!!!

Children’s Country Store

Items Needed

Spring cleaning is the perfect time to clean out your closets and pack up all of those toys, books, puzzles, etc. that are no longer being played with at your house and donate them to the Children’s Country Store for the 4-H Fair. This popular booth sells used games and toys at bargain prices throughout the Fair. Last year thanks to the generous donations of our 4-H families and friends we collected close to $1,000. Please pack your items securely in boxes and then put them in plastic trash bags for safe transport. Bring them to the Fair on Family work set up day, Sunday, July 15th. This is also a fun place to volunteer for a three hour shift.

Fair Clean Up

Sunday, July 22 after 4 p.m.

The fair festivities wrap up at 4 p.m. Sunday afternoon. Although the fairgoers leave it would be wonderful to have a bunch of helping hands to stay and clean up the mess that the fun-filled Fair made. It will be quick if we all lend a helping hand!

Thanks to all in advance!
